------------------------	---------------

Descriptive note: None

Display conditions: None

Date of entry in Register: 21 February 2020

Date of direction to issue a label: No direction to issue a label has been issued

Date of notice of decision: No notice of decision has been issued

Summary of reasons for decision:

The publication is an anime-style image of two female children. Although the children are naked, the image is not reasonably capable of being regarded as sexual in nature. The image does not get through the subject matter gateway, nor does it deal with any other criteria under the FVPC Act. It must therefore be classified unrestricted. This classification does not impede on the right to freedom of expression in any way.
